

THE UNSOCIAL MEDIA January 2016

Staff Car Parking

We met with Southern management on the 28/1/16 to discuss staff car parking.

There will now be no requirement to provide a copy of your v5 or insurance documents when applying for your parking permit.

Applications for permits will be done online and should anyone need any assistance with their application then they should seek the help of their Line Manager or support clerk.

Parking permits will be valid for upto 3 stations.

Permits MUST be displayed at all times or a penalty fare of £60 will be incurred. This rises if the payment is not made promptly.

Any staff member found abusing their parking facility will have their permit revoked and will be dealt with under the companys disciplinary procedure "Breach of mutual trust" and could result in the staff member being dismissed.

A full brief about the parking and the T&C's that come with it will be published in the GTR Weekly news letter sometime next month.

The current permits will expire on the 31st March 2016.

Pension Scheme

We have received numerous calls about the changes to our pensions. This was negotiated at a national level and as such we took no part in this.

Should members need clarification on any part of the changes they could ask their Branch Secretary to invite our EC member to their next meeting to provide a report on the changes and take questions.

Seats and DSD Replacements

As of December 2015, there were 122 seats and 184 DSD's replaced on Class 377 units.

An update on the units fitted with the new seats and DSD's assemblies should be provided to us in the near future. Once we receive this, we will publish the numbers in an Unsocial Media.

Dave MacLennan

Dave is now in a position to take phone calls and emails. We would like to thank everyone their understanding, while Dave was off.
